The Community Nutrition Network and Senior Services Association

2018 ANNUAL REPORT
DEAR FRIENDS,

Thank you for making 2018 yet another remarkable year for the seniors throughout our service area. Our dedicated staff continues to do an incredible job at expanding our outreach while strengthening our programs and services.

We have been able to increase the value of services delivered in the field by 20% in 2018!

CNN has successfully increased its Meals on Wheels program offerings. The addition of services, such as the expansion of our 2nd and weekend meal programs and the addition of our new special diet program, have been a huge part of our success in 2018. We were able to provide more than 110,000 more meals than 2017. These programs continue to expand in 2019!

We rely on the help of our volunteers, donors, and community partners. This year alone we worked with more than 500 volunteers who logged over 45,000 hours. Our continuing goal is to keep our overhead low while increasing our services in the field, and you truly make this possible! The Meals on Wheels Foundation of Northern Illinois and Community Nutrition Network are stronger than ever due to our continually expanding community who comes together to donate time, resources, and talent in support of our important mission.

We are looking forward to much more in 2019!
Thank you for your support.

Sincerely,

Linda S. Wortel
Chairman
Meals on Wheels Foundation of Northern Illinois

OUR 2018 NUMBERS
@ A GLANCE

CNNSSA & MOWFNI HAVE TRANSFORMED THE GENEROSITY OF OUR COMMITTED DONORS INTO VITAL AND LIFESAVING PROGRAMS.

5,480 OLDER AMERICANS SERVED

45,806 HOURS VOLUNTEERED

11,479 EMERGENCY SHELF STABLE MEALS DELIVERED

589 THOUSAND MEALS PROVIDED TO OLDER AMERICANS

OUR MISSION:
To Provide Meals and Resources to Older Adults and persons with disabilities, assisting them in leading active and healthy lives.

If you or an older American you know needs help, please let us know: (312) 207-5290
We received these letters from two of our seniors, a perfect example of what our meals mean to our clients.

Two years ago, after being hospitalized, I came home to be alone. Dr. Andytis signed me up for Meals on Wheels. It has sustained me.

First, I want to say, the services and people who deliver have been a whole new set of friends.

The meals are all they can be. All of us have different taste buds. I like most anything and eat most everything. Some things I enjoy more than others. I’m always happy to get the fresh fruit, and I enjoy the veggies. There’s one thing I turn down is the greens and they come quite often.

The great thing about getting the meals is I don’t have to shop for groceries as often. I still bake.

To make my lunch like home cooking I put it on a dinner plate. I enjoy the juices, and always glad to see apple sauce.

I love my home and want to stay here as long as I can and with the nice lunches that come everyday will give me the privilege of staying here. I get $1,891 a month for Soc. Sec. and a small pension. With sticking to a budget I can usually make it.

I have nobody to help me with things that need to be fixed, so I try to do as much as I can myself. I do appreciate the Meals on Wheels and hope I can continue getting them.

-Ida M. Schopp
Grundy County
Home Delivered Meals Recipient since 2010

Please accept the enclosed donation in the amount of $325 in memory of my father, Jim Watson.

In 2016 my father was living by himself and it was a comfort to know that he was receiving regular meals. After he fell down the stairs in June, 2016 it was the delivery driver who discovered his injury and called 9-1-1. It breaks my heart to think of how long he may have had to wait for help if the driver hadn’t showed up that day with Dad’s lunch. I have forgotten the drivers name, I’m sorry to say, but I’ll never forget what he did for my Dad. Thank you so much for what you do to make the community a better place for people like my dad.

Gratefully,
-Kathleen Watson

Last year, our dedicated volunteers donated 45,806 hours to serve 5,480 older Americans and persons with disabilities.

We rely on our volunteers to package and deliver meals and clean up at the end of the day. At our cafes, they decorate for holidays and parties, participate in classes, and more. Without their help, we simply could not complete our mission. Those we serve rely on our volunteers as well, they make our cafes come alive, sitting down to discuss the days events during lunch.

And for those who get meals delivered, each delivery is much more than a meal. It is a welcomed visit from a smiling friend who happens to be bringing lunch! In fact, as Kathleen Watson notes in her letter (previous page), often our volunteer delivery driver is the only person a client speaks to each day, making our volunteers’ roles even more important.

**OUR PROGRAMS**

**TOTAL SENIORS SERVED**
- Home-Delivered: 5,480
- Café Dining: 2,519

**TOTAL MEALS SERVED**
- Home-Delivered: 589,062
- Café Dining: 527,935

**PROGRAM & ADMINISTRATIVE EXPENDITURES**
- EXPENDITURES COVERED BY STATE & FEDERAL FUNDING: $4,467,870
- EXPENDITURES COVERED BY PRIVATE DONATIONS, VOLUNTEERS, AND PUBLIC PARTNERSHIPS: $3,337,353

The state and federal funding the Older Americans Act (OAA) is a very important part of our programs but it does not cover all of the cost. During 2018, 33% of our program funding came from private donations, volunteers, and public partnerships. That is just over 33% - or $1,000,000! - of our program funding.

Without the help of our donors, we would not be able to provide services to all of the older adults in our area. We continue to operate without waiting lists due in large part to the generosity of our donors.

**THE GROWING GAP BETWEEN SENIORS IN NEED AND SENIORS SERVED**

With 12,000 individuals turning 60 every day nationwide and a senior population increasingly threatened by hunger, the gap between those in need and those being served continues to widen. Funding for Older Americans Act programs is provided through the Department of Labor, Health and Human Services, Education, and Related Agencies (Labor-HHS-Education) annual appropriations bill, and dollars are then allocated to each state.

![Graph showing the growing gap between seniors in need and seniors served](image)

The cumulative change since 2010 shows a significant increase in the number of seniors in need and a smaller increase in the number of seniors served. This trend indicates an increasing gap between the two numbers.

![Graph showing annual appropriations for Older Americans Act](image)

The graph above illustrates how annual appropriations for the Older Americans Act have increased over the years, reflecting the growing need for services.

**THERE ARE TOO MANY SENIORS IN ILLINOIS ARE LEFT BEHIND, ALONE AND HUNGRY, STRUGGLING TO STAY INDEPENDENT AND HEALTHY.**

- 639,240 are isolated, living alone
- 354,003 are threatened by hunger
- 651,262 are living in or near poverty

Nationally, 1 in 6 seniors struggles with hunger.

**Funding for Older Americans Act programs is provided through the Department of Labor, Health and Human Services, Education, and Related Agencies (Labor-HHS-Education) annual appropriations bill, and dollars are then allocated to each state.**

Meals on Wheels' clients report fewer falls, which cost our nation $31 billion each year.

Investing in Meals on Wheels is a win-win for our seniors, our communities and our nation.
Home Delivered Meals

Monday through Friday, between 10 AM and 2 PM, a hot meal is delivered by a friendly delivery driver. Each meal is complete with protein, vegetables, fruit, grain, and milk. The menus are approved by a Registered Dietitian to meet 1/3 of the daily recommended intake of nutrients for older adults.

Most meals are delivered by local volunteer drivers. They are the cornerstone of this program. Along with dropping off the meal, they provide a daily wellness check and a quick source of socialization for otherwise isolated older adults. If there is an emergency or status change, our drivers are often the first to see it and report it to the client’s emergency contact or to first responders.

Meals on Wheels in Suburban Cook County has recently been expanded to include weekend and second meals for those who have the greatest need. Some of our programs can accommodate special diets for conditions such as diabetes, kidney disease, and heart disease.

Congregate Meals

Our Community Café programs address the need for socialization and nutritional education for older adults who are not homebound. Lunches are served daily in senior centers, churches, community centers, local government buildings, and restaurants. Anyone over 60 years old is welcome to join us for a meal and stay for the daily activities.

Each Café organizes regular events that include special guest speakers, parties, trips, exercise programs like Zumba Gold, and much more.

Café participants have the opportunity to shape the programs and provide regular input via their local Senior Nutrition Advisory Councils (SNAC). These groups meet monthly to discuss activities, menus and fundraising, and to share ideas for improving the programs.

Socialization can help older adults live longer.

Regular social engagement, as provided by our cafés, can make a senior’s immune system stronger, help fight feelings of depression, and even lower the risk of dementia.

For information about any of our programs or to find the program nearest to you, contact us at: (312) 207-5290
